

Daily Learning Task 10

Year 3

Maths:

Practise your 11 times table. Write all the times table facts down in order. Can you see a pattern? Can you describe the pattern using correct mathematical language (e.g. ones, tens etc)? What happens after 9×11 ?

Do you have any pieces of card/paper? Write the 11 times table facts on individual pieces (e.g. 3×11) and the answers on other separate pieces. Place them face down and play a matching game with one of your family.

English:

Choose a book that you have at home. It could be fiction or non-fiction. Find a paragraph and read it through for the key points. Now summarise it in no more than 3 sentences!

Other:

French - Watch the following video clip from BBC Bitesize to help you remember your numbers in French.
