

Daily Learning Task 4

Year 3

Maths:

We tell the time using **analogue** and **digital** clocks. How many examples of each can you find around your house? You may be surprised!

Before we look at telling the time, let's make sure we know the basics!

Use the numbers to fill in the gaps in the sentences.

- There are _____ days in a year.
- There are _____ months in a year.
- There are _____ days in a leap year.
- There are _____ days in a week.
- Leap years happen every _____ years.

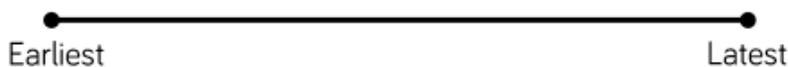

7 365

4

366 12

Now order these dates on the time-line:

3rd March 2nd March January 31st 1st December

English:

Descriptive writing

Look at the photograph (I have enlarged it on the last page). What can you see? List as many **nouns** as you can see in the picture (e.g. 'balloons' etc).

Now think of some great **adjectives** to describe those nouns. Remember, choose the best adjectives that you can (you may want to use a **thesaurus** to help you).

Our word of the day today is:

SCROUNGE

- Find its meaning and use in a sentence.
- How many words can you make from its letters? I challenge you to find ten and, if you can find a French word that you have already learned, I will award you an extra Dojo! 

Other:

R.E. What do you know about a Christian church? Have a think about the kind of events that happen in a church – weddings, funerals, baptisms etc.

I would like you to research what happens during a Christian baptism.

What does it mean?

When does it happen?

Who is involved?

Which feature from the church is a vital part of the service?

Watch the following BBC Bitesize clip to help you understand what happens during an infant baptism:
