

# Daily Learning Task 5

## Year 3

### Maths:

How many weeks are in a year? How many months?

How many days in a week?

How many hours are there in a day (and night)?

How many minutes in an hour?

How many seconds in a minute?

These are all **basic facts** that we need to know so, if you are not sure, check with an adult. If you are struggling to remember one of these facts, write it nice and big and display it somewhere you will look every day!

See if you can solve these time problems from **White Rose Maths**. Make sure you can explain your reasoning as well as give your answers!

Su	Mo	Tu	We	Th	Fr	Sa
	1	2	3	4	5	6
7	8	9	10	11	12	13
14	15	16	17	18	19	20
21	22	23	24	25	26	27
28	29	30	31			

In this month, there are no school holidays.

In this month we have to come to school for 31 days.

Teddy

Do you agree with Teddy?  
Explain your thinking.  
Which month could it be?

Mo

I get up at 7 o'clock in the morning and go to bed at 7 o'clock at night. This means I have been awake for a full day.

Do you agree with Mo?  
Explain your answer.

## Other:

What do you already know about France? How many famous French landmarks can you find? (use the link below to help you). Choose one of the landmarks and imagine you have been there, create a postcard to a friend to tell them all about it.

<https://www.kids-world-travel-guide.com/france-attractions.html>

## Ongoing tasks:

Every day aim to...

1. Carry out 15 minutes ERIC time
2. Read to someone else for 10 minutes.
3. Access Bug Club or Reading Plus.

**Remember what Mrs Postle says: 'Today a reader, tomorrow a leader!'**
