| Momoore | Ashfaq | - Y4 | | |
| Danyaal | Riya | -Y5 | | |
| Karishma | Bilal | Leena | Qais | -Y6 |
| Road Ambassadors: | | Isaac | Maariah | |

Agenda:

- Clean Air Week – Thursday 20th June. Children think about how we all can improve our carbon footprint.
- Clubs – Next year we will be providing a wealth of after school clubs What do you think children would like?
Dodgeball, book club, football, martial arts, craft, rounders, science, music, languages, basketball, gaming, Minecraft, photography, geography, newspaper, dance, cheerleading, chess, coding.
- New character – We would like to develop a new character next year, which character do you think would be great to have at Beaumont?
Hardworking, helpful, supportive, diverse, aspirational, respectful
- Marking –
We like the green and the pink in maths, rewards from marking, arrow – next step helps us to improve – I like seeing what the teacher writes next steps on board like in Y5.
We don't like the teacher writing too much all over our work.
- Enterprise was quite squashed in Y6 last year so can Enterprise be in the Hall?

Action:

- School council to ask their classmates about what clubs they would like...
- Mr Gandhi, can we have Enterprise in the hall?
- The teachers to look at the marking in school.

Date of the next meeting:

TBC
