

# Beaumont School Parliament

Date:  
29/04/21

Attendees:  
Miss Sullivan

## School Parliament MPs

Y3 – Safa M and Uzair M

Y4 – Aya N, Zain A

Y5 – Adam A and Aishah P

Y6 – Ayyan J and Mariyah A

## Agenda:

- Wellbeing check
- Reflect back on the last meeting.
- Messages from peers
- Big Debate
- PE

## Minutes:

### **Wellbeing check.**

All children are enjoying their learning at school – Year 3 have particularly enjoyed their virtual trip to the Houses of Parliament – they enjoyed asking questions and even got to interview Chris Green our school's local MP! School Parliament are happy that over the Summer term they will be having music provision from Mrs Scattergood and Y3 and Y5 enjoyed their session very much yesterday.

### **Reflect back on the last meeting.**

- In the previous meeting School Parliament voiced that they would like a specialist sports coach employed at Beaumont again; since the last meeting Mrs Postle has advertised a job position for this post.
- The children have enjoyed utilising the trim trail and grass areas again now the new timetable system is in place. They are also enjoying being able to eat lunch in the hall again and the re-introduction of the hot meals has been welcomed by all.

### **Messages from peers:**

- Children across school are eager for after school clubs to begin to run again but School Parliament understand that this would need to be in class bubbles due to current Covid bubble restrictions in place.
- The children would like to have more permanent play equipment introduced on the school grounds such as the trim trail and tyre park as everyone enjoys using these.

- Children would like to take part in match competitions as part of sports day such as netball, basketball and football.

**Big Debate.**

School Parliament have decided that for the focus for the Big Debate in the Summer term they would like this to be centred on environmental issues. They will look into issues such as pollution, plastic waste and global warming and then decide on a main question for the debate and bring suggestions to the next School Parliament meeting.

**PE**

School Parliament viewed the proposed new school PE kit designs and all children approved of them and are excited to begin to wear them in the near future!

**Date of the next meeting: June 2021**
