

BRITISH VALUES AT BEAUMONT PRIMARY

We have high expectations of our own and each other's behaviour – respecting each other at all times.

We all agree to our Three rights:
Be safe, to learn, be respected.

Our assemblies promote diversity, kindness and teamwork as well as other respectful behaviours.

MUTUAL RESPECT

We complete assemblies and learning during Kindness Week and safer internet day.

Through our Relationship Education, we explore the importance of respecting others, even when they are very different from us, or make different choices or have different preferences or beliefs.

We understand that we all find different things challenges and support each other to achieve

In RE, we learn about diversity in religions and worldviews, and we are strongly encouraged to respect other people who see the world differently than us.

We learn about different types of bullying, (including cyberbullying) and the impact bullying has and how to get help but most importantly to know bullying is wrong.

Respectful behaviour is celebrated through Class Dojo.
