

BRITISH VALUES AT BEAUMONT PRIMARY

We have high expectations of our own and each other's behaviour – we decide together our class rules.

We have a Good to Be Green System, which helps us understand there are consequences to our actions.

We have a behaviour policy that is regularly reviewed and updated.

RULE OF LAW

Through PSHE and assembly, we learn how to earn trust and respect – knowing right from wrong.

We learn from visitors from the emergency services about the Rule of Law.

We all agree to our Three rights:
Be safe, to learn, be respected.

We learn about how to follow the law when online.

In RE, we learn about codes for human life, including commandments, Rules offered by different religious communities. We learn to appreciate how individuals choose between good and evil, right and wrong. We learn that fairness requires that the law apply.
