

# BRITISH VALUES AT BEAUMONT PRIMARY

We learn about other faiths and religions in our RE lessons.

We invite religious leaders into school to teach us about their faith.

We celebrate the festivals and events of all religions in assemblies.

## TOLERANCE

We visit places of worship in our time at school.

We regularly raise money for charities and think of others.

Our school does not accept intolerant attitudes to members of the community. We are fair and promote equality.

Through RE, we challenge learners to be increasingly respectful and to celebrate diversity.

We learn about respecting people with all abilities or disabilities.
